## BRY-AIR HOLDS ITS 10TH EYE CAMP IN BIJWASAN

**Bry-Air**, recently held three Eye Camps at Kapashera, Teekli and Bijwasan, in partnership with Venu Eye Institute & Research Center. More than 800 people, from and around the three villages were successfully treated for eye ailments.

## Environment Awareness to children

About 70 children studying in Bry-Air Pathshala from age 6 to 14 and their teachers were taken to a field trip-cum-picnic to Sanjay Van, on the occasion of **Children's Day**. **AVM Vinod Rawat (Retd)** and his team "**Working With Nature (WWN)**" explained about the flora and fauna of Sanjay Van. Children also planted saplings and participated in a Drawing Competition. Later, a team from Wildlife SOS Group educated children about the various types of snakes & small wildlife. **Bry-Air works with WWN to Enrich Environment.**

**Bry-Air CSR team also distributed sweets and gifts to pathshala children on the occasion of Diwali**
