

Bry-Air® celebrates Earth Day at Sanjay Van

Bry-Air celebrated **Earth Day** in partnership with **WWN** (Working With Nature) and **DDA** at Sanjay Van on April 22, 2013. The Chief Guest, Lt. Governor Shri Tejendra Khanna released the new brochure on Sanjay Van titled as **“Restoring Sanjay Van - Making of an Aravali City Forest”**, developed by Bry-Air. Around 300 students from different schools participated in the event. Activities such as tree plantation, forest walk and cleaning of forest were performed by school children. Students also brought posters developed on Save Earth & Save Environment and displayed at Sanjay Van. Drawing competition on Save Environment was also held and more than 100 students participated in drawing competition.
