Diwali Celebration & Bicycle Donation

Bry-Air CSR team celebrated Diwali with the Bry-Air Pathshala children by organising a diya decoration activity. Children were divided into groups and each child was given a diya to decorate. Children decorated their diyas in very innovative ways. The best diya was chosen from each group and 5 children were rewarded. Diwali gifts and sweets were also given to all the children & staff of the Pathshala.

10 Bicycles were donated to be used by 20 Pathshala children. These children were unable to afford the transportation cost to go to school everyday and can now use these bicycles to attend school regularly.
