Bry-Air Udaan Community Water Center benefits 1800 people

The Bry-Air Udaan Community Water Center (CWC) was inaugurated by Ms. Anandita Pahwa, Head-CSR Initiatives, Bry-Air on Wednesday, August 01, 2018 at Gugana village, Gurugram. The inauguration was done in the presence of Ms. Sushmita Singha, President, MA My Anchor Foundation, Sarpanch and villagers.

This CWC is providing RO (500 Liter Per Hour and Chiller) chilled water to the 1800 population/villagers where the TDS level is very high. People were suffering from water borne diseases in the village. This CWC aims to reduce the water borne diseases in the village and to improve the quality of life of the people.

Three similar CWCs are functional in Kaduki village, Alawar, Chillarki village and Haliaki village, Gurugram.
